DETAILED ACTION

1. Claims 1-19 are pending. Claims 5-9 are withdrawn as being drawn to a non-elected invention. The previous rejection is withdrawn pursuant to Applicant's July 13, 2006 Amendment and REMARKS.

Claim Rejections - 35 USC § 103

2. Claims 1-4 and 10-19 are rejected under 35 U.S.C. 103(a) as being unpatentable over Postelnik, US 7,069,235.

Postelnik discloses, e.g. Figs. 1-9, a supply chain having disparate systems, e.g. a client, a customer, an order request service organization, suppliers, reseller, distributors, manufacturers, and a trading notification partner exchange, e.g. 110, 120, 130, automatically assigning a unique transaction identifier, e.g. order requests.

Postelnik does not disclose the term transaction identifier. Official Notice is taken that transaction identifiers associated with orders from disparate systems has been common knowledge in the ordering of products art. To have provided such for Postelnik would have been obvious to one of ordinary skill in the art. The motivation for having done such would have been to have provided common knowledge tracking of products associated from disparate systems. It is noted that intended use claim language, e.g. for exposing, does not provide any line of demarcation over Postelnik. The remaining claim limitations are deemed disclosed by Postelnik.

3. Further pertinent references of interest are noted on the attached PTO-892.

Conclusion

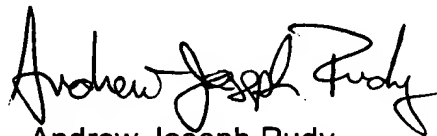

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
